PROFILE

I am a Creative Designer skilled in crafting intuitive, visually engaging interfaces. Proficient in Adobe Creative Suite, Figma, and Sketch, with a strong focus on usability and user-centered design.

WORK EXPERIENCE

APRIL 2024 - SEPTEMBER 2024
CORIFTECH SOLUTIONS LTD.

Design Intern

- Created user-centric designs that enhanced usability and user experience across various digital platforms.
- Developed training materials and resources to educate team members on design principles and best practices, fostering a collaborative learning environment.
- Collaborated on innovative projects that combined creativity and technology, resulting in impactful solutions that met client needs

SEPT 2024 - PRESENT

Retin Design

Brand and Visual Identity Designer

- Crafted unique and memorable brand identities that effectively communicated clients' core values and resonated with their target audiences.
- Developed comprehensive visual systems, including logos, typography, and color schemes, ensuring consistency across all client touchpoints.
- Collaborated with clients to create visually striking marketing materials that strengthened brand presence and enhanced overall recognition.

OCT 2024 - PRESENT

DELTA EDGE TECHNOLOGIES

UI/UX Designer

- Led user research and testing initiatives, ensuring designs are rooted in real user needs and elevate the user experience.
- Developed clear, interactive wireframes and prototypes that streamlined communication with stakeholders and accelerated the design process.
- Worked closely with cross-functional teams to deliver digital solutions that are both innovative and user-friendly, contributing to successful project outcomes.
